Fees have remained low and are only \$15 for a family camp, \$15 for an extra shooter and a \$15 vendor fee (which can be paid with a Pee Wee prize).

The Prize Blanket amount is \$10 and prizes must be turned in by Noon, Saturday. To win a prize you must put in a prize.

We are anticipating a burn ban at that time of year so be sure to bring alternative heat sources for cooking.

Plaques will be awarded for Best Dressed Man and Woman, furthest Traveled and Best Camp. Remember, 'primitive campers' must be in primitive dress at all times except when unloading or loading your vehicle.

The event is visible from Highway 20 and there are signs directing the public to the event.

Past events have provided good exposure for the vendors, think about joining us this year!

Thanks!

WELCOME!

Central Whidbey Sportsmen are holding their 21st annual pre-1840s Black Powder Living History Rendezvous and Market Faire August 16-18, 2013.

We are a family oriented living history rendezvous experience with something for everyone: "modern" and "pre-1840" camping, games, archery shoots, knife and hawk contests, blanket traders, competition shoots, talkin', braggin', and good times. We are all pilgrims in one way or another, so come join us to live the "old timey" way, even if you are "new to the game".

CAMPING: We have both "pre-1840" and "modern" camp areas. Period dress and equipment required in our primitive, "pre-1840", camp. Period dress is encouraged for modern campers. No hook-ups are available in "modern" camp area. Early set-up August 10th by arrangement with Booshway. The camping fee includes free parking, water, and all activities, including shooting (for one shooter).

SHOOTING: Shooting is limited to registered rendezvous campers and visitors only. We have various types of black powder and archery shooting. Blackpowder, patched ball, fixed iron sights, only. All archery to be with traditional bows. New pilgrims and tenderfeet cordially welcomed.

CAMP RULES:

In 'Primitive Camp' all visible clothing and gear must be pre-1840! (This applies to children as well as adults.)

Participants must be in suitable pre-1840 attire after unloading their car.

Keep plastic water jugs and coolers covered at all times. When hauling water or ice to your camp, keep non-period containers covered.

Vehicles will be allowed in camp for loading and unloading only.

Park in the designated parking area.

Parents are legally and financially responsible for the actions of their children.

Zero Tolerance for the use of illegal drugs or underage drinking.

Pets must be on a leash and under control at all times.

No loaded firearms in camp

Bring your own trash bags.

No chain saws.

Do not cut live trees.

Remove and preserve sod from your fire pit. Replace it when you leave.

Campfires, candles and candle lanterns must not be left unattended.

You must have a period container of water (at least 3 gallons) and a shovel near your campfire.

Coleman stoves permitted only if hidden inside a tent (unless there is a fire ban).

Please keep your cameras covered when not in use.

No fighting. This includes domestic disturbances.

Field strip cigarette butts and place them in **YOUR** bag then dispose in **YOUR** garbage, not on the ground.

All Local, State and Federal laws regarding sale or consumption of alcohol apply in camp.

SHOOTING RULES:

SAFETY - The safety of competitors, range personnel, and spectators requires strict self discipline and the constant attention of everyone present to the careful handling of firearms at all times; on and off the firing line and when moving about the range area. Wherever such attention is lacking, it is the duty of range officers and other range personnel to enforce the range rules. It is the duty of all competitors to assist in such enforcement.

-Under no circumstances shall firing commence or continue on a range where an unsafe condition exists.

-Alcoholic Beverages - Alcoholic beverages are strictly forbidden on the range.

-Disorderly Conduct - Disorderly conduct or intoxication is strictly prohibited on the range and anyone guilty of same will be expelled from the range. Expelled competitors will be disqualified from the competition with forfeiture of all entry fees and awards.

-Smoking - **ABSOLUTELY NO SMOKING FORWARD OF THE SPECTATOR AREA**

-Pan firings, caps and fouling shots are to be discharged down range after notifying the Range Officer.

-Blowing down the Barrel is prohibited, except via an offset blow tube.

-Firearms must be pointed up or downrange at all times. ALL firearms are to be considered loaded.

-Unloaded Firearms - Firearms will not be capped, primed or loaded until the command "COMMENCE LOADING AND FIRING" has been given. Firearms shall be capped and primed only when the shooter is on the firing line facing the target. All loaded chambers of a revolver must be capped prior to firing.

-Loaded Firearms - A firearm that has a charge in the chamber, barrel or cylinder shall be considered loaded. All firearms are to be carried to and from the firing line with the muzzles in a vertical position. Once on the firing line, all loaded firearms shall be pointed in the direction of the targets at all times.

-Cease Firing - Any person will immediately command "CEASE FIRING" if any incident occurs which indicates possible injury to some living thing should firing continue. In all other cases, the command will originate with the Chief Range Officer.

-Clearing Misfires - The Range Officer must be notified immediately and before the clearing. "breaching" or "pulling" of a bore, barrel, projectile or charge may be attempted. Extreme caution must be used, including reasonable care to inform, but not disturb, neighboring shooters during the clearing of misfires. All clearing of misfires must be performed in such a manner that there is no danger to persons or property. Use of a CO2 discharger is permitted.

-Policing Range - It is the duty of competitors to police the firing points after the completion of each match or stage. The Range Officer will supervise such policing and see that the firing points are kept clean.
