Next General Meeting – 7:00 PM

## January 11<sup>th</sup>

Possibly not open to membership due to Covid

### We Need Volunteers to Step Up !!!! We need the following positions:

- run the speed steel pistol and rifle matches this year and forward.
- take over the match and class scheduling for next year.
- run the falling plates pistol and rifle matches this year.

The persons who will take over the different positions will be trained completely. You will be provided with items needed to do the job correctly and will be helped by the persons most qualified to assist you in getting started. The match's and scheduling all can be run by a committee so if you have buddy's that have been looking to get more involved with club activities this is a good time to get started. Call Al at 360-678-0960 with any questions and to volunteer.

### CWSA Sports Person of the Year

**Linda Pickering** was unanimously voted in as Sports Person of the Year. Linda has done the raffles at each general meeting for years, along with working at **every charity match**. If you shoot the matches, you know and appreciate Linda and all her efforts for the club and the membership! Linda is a great competitor and fun to shoot with, so it was a pretty easy choice to make. Congratulations to **Linda Pickering!**

## **What you absolutely, positively MUST know:**

New member presentations, in the club house:

Saturday January 9 (2021 yikes!) at 1300 (yep, the calendar is wrong, January 9<sup>th</sup>, and this is your last opportunity to renew without paying a late fee. Actually late fees are waived until January 15<sup>th</sup>).

### **We are in dire need of filling the following positions at the Club:**

1. We need to get a volunteer to take over the annual scheduling calendar/Match scheduling that Al has done for over 20 years. We need somebody to fulfill this position as soon as possible! The 2021 schedule is already out but will need adjusting during the year. Al has volunteered to train the person who volunteers for this very important position in the club! Please let Al Lindale or Larry Memmer know if you can fulfill this position!

2. We are in need of a match coordinator for Falling Plates both rifle and pistol as Bob can no longer coordinate these matches due to health reasons. Al Lindale will train the volunteer as needed and supplies will be provided by the club. If you like shooting Falling plates please volunteer for this very important job!! Please contact Larry Memmer or Al Lindale if you are interested in being a coordinator.

### **There are some issues that need to be addressed at the club that need membership help!**

- a. Some people are not signing into the club at the gate. We need everybody to sign as stated in our range rules. This is one way to get expelled from the club if you continue to not sign in.
- b. If you use the club house and turn on the heaters, please turn them off when you are done. The heaters have been found on, costing the club extra money. Please remember to turn them off when you leave.
- c. If you use the portable trap thrower please clean the wheels off before you bring it back into the club house, as the carpet is getting harder to clean.

## **Board Meeting – Items of Interest:**

John Lyness is stepping down from his position as NRA recruiter at the end of this year, and a replacement needs to be found.

The penalty free renewal period (no penalty\$\$) for renewing membership for 2021 has been extended to Jan. 9th 2021, 10:30AM. This will allow for 2 additional work party days before renewing. There is a new member orientation also on this date Jan. 9th.

## **Club Vote Required to Replace Club Signs**

The board needs the membership to vote on replacing our club signs along HWY 20. There are two 4'X8' signs in disarray and requiring replacement. Humphrey Sign Company gave us a bid for two signs at \$892.98 that the board of directors approved, but now requires the membership to vote on spending money to replace the two signs. So we need membership to cast their vote, **YES or NO**, at: tractor.cwsa@gmail.com by January 15, 2021. We cannot place the order until approved by the membership!

## Working Party Notes & Next Work Party(s)

**Sunday January 3<sup>rd</sup> 0900 to 1100 (9:00 AM to 11:00 AM) and  
Wednesday January 6<sup>th</sup> 0900 to 1100 (9:00 AM to 11:00 AM)**

Gary Winlund reports that the last work party had 27 people show up. It was noted that when a lot of people show up, he may not have enough tools for everyone, so he encourages people to bring some small tools such as shovels, rakes, weed whackers, etc. No tools are required for rock picking ; >). But I digress: telephone poles were laid out along the property adjoining Ryan's House; trash hauled; all ranges rehabbed as needed; gears reset and system flushed twice in the pump house; Cal Schuster has gotten chain hooks for the tractor and will bring his welding machine and secure them where needed. Gary also mentioned that **we are out of RR ties and telephone poles, so if anyone knows folks who are getting rid of them**, let him know.

If anyone has any extra time and wants to help around the club (and get credit and a punch on your "work party card") the following items always need attention.

Weed wack around ranges and other areas. Bring your own trimmer.

Spray weeds and grass on ranges and other areas. Bring your own sprayer and liquid.

Empty garbage cans, including brass barrels on ranges. Extra bags should be available in cans.

**Let Gary know what you have done so he can give your card a punch for work performed. Gary 360-678-9879.**

**All Ranges, this means the ENTIRE Club is CLOSED (except scheduled shoots) during the work party!**

**Contact Gary Winlund at 503 440-3492 or [CWSA\\_PROJECTS@CWSAOnline.com](mailto:CWSA_PROJECTS@CWSAOnline.com) with suggestions.**

### Lost Bipod – Please Return

One of our members left a tripod behind on the NEW short range, to the left of the 200 yard range. It is a BOG tripod (probably a shooting spotting scope tripod). He left it there on November 30. If you found it please call Rich at 360-672-1733, please leave a message if no answer. If you prefer email Bill Balfour at [balfourca@earthlink.net](mailto:balfourca@earthlink.net) with information. Thank you.

**Our new CWSA web page** If any club member needs or wants to add something to the web page, they can contact one of the managers, listed below, for that section of the web page to make inputs. These members maintain our website and provide the **MOST CURRENT** CWSA Calendar available online at the CWSA website. <http://www.cwsaonline.org/>

Our website crew (it takes a village) spend considerable time and effort keeping the CWSA website up to date. **Check the website before you plan your shooting time(s)** to make sure there is no conflict or range closure. The Crew has upgraded the website online calendar to include amplifying remarks on many items. "Click" on any activity to see additional comments.
