Next General Meeting – **Monday**

July 12, 1900 (7:00 PM)

The club will be closed for road maintenance July 7th and 8th 2021.

The parking lots and selected roads will be resurfaced and rolled. If there are questions, contact Gary Winlund 360-678-9879

The working parties on July 4th and 7th are cancelled and there will be a work party on July 14th at 9:00 am to 11:00 am.

Speed Steel Matches in Bays 1-5, please don't move the pegs!

It is that time of year again! Speed Steel Matches. The evening prior to any speed steel matches we put out pegs to designate where steel will be set up on shooting bays 1-5. Please do not move or disturb the peg placements.

What you absolutely, positively MUST know:

When leaving the club house please make sure that all 4 heaters are off and that no water is running in bathrooms. This is an ongoing issue and we really need all members to step up and be aware.

Al Lindell needs someone to take over both match and class scheduling and speed steel rifle matches. He has been doing this for many years, and it's time for him to take it a little easier. He will gladly train anyone willing to step up to either position. Speed steel brings in a lot of income to the Club, since it is the most popular of the shooting events we host.

Board Meeting – Items of Interest:

No meeting minutes this month --

Working Party Notes & Next Work Party(s)

Gary Winlund will retire from being our maintenance supervisor at the end of the year. The club is looking for 3 people to replace him, so we can split up the service project coordinators, one person for Sunday's work party and one person for Wednesday's work party and one person for club maintenance. These 3 people will work together and be a committee to take care of the club with membership help. If you are interested in replacing Gary Winlund please let Gary or myself know so Gary can start training those people on what they need to know. Gary has done an outstanding job for many years and would like to take life a little easier. He will train the committee with everything they need to know including the Tractor, well house maintenance, budget, contact information on where to buy supplies and much more.

Wednesday July 14th 0900 to 1100 (9:00 AM to 11:00 AM)

Gary Winlund had 11 club members show up in April to finish the fence alongside the Ryan's house property.

If anyone has any extra time and wants to help around the club (and get credit and a punch on your "work party card") the following items always need attention.

Weed whack around ranges and behind the sheds behind the club house. Bring your own trimmer.

Spray weeds and grass on ranges and other areas. Bring your own sprayer and liquid.

Empty garbage cans, including brass barrels on ranges. Extra bags should be available in cans.

Let Gary know what you have done so he can give your card a punch for work performed. Gary 360-678-9879.

All Ranges, this means the ENTIRE Club is CLOSED (except scheduled shoots) during the work party!

Contact Gary Winlund at 503 440-3492 or CWSA_PROJECTS@CWSAOnline.com with suggestions.

FROM THE PRESIDENT:

We are still looking for volunteers to fill the following position, Club Secretary, Manager for Scheduling for the year's events, and a Speed Steel Rifle Match Coordinator. Currently the club has 656 members and surely somebody can step up to the plate and get involved with running one of these positions. Positions can be filled by Female, Male, Associate members, Disabled members, retired members or anybody else. These positions will be open in January and training will be provided before January so you'll be ready to take over. All CLUB positions count as working party requirements for the year. If you can assist please contact me at lgmem@comcast.net or call if you have questions at (360) 969-2588.

We are also seeing if people are interested in adopting a range to ensure it stays clean and picked up! the monthly working party will change out targets and do odds and ends. Currently Al Lindale has adopted the Pin Range, Randy and Marilee Pike have adopted pit number 2 and Ron Martin has adopted the trap Range. If you or a group of who want to adopt a range please let me know and this will also count as your yearly working party.

Thank you Larry Memmer
