Next General Meeting – **Monday**

August 9, 1900 (7:00 PM)

The club needs some **help with watering our perimeter trees**. This is best done by a 2 person team, it involves filling the trailer mounted water tub and then driving along and watering the trees. We could use 2 teams since this should be done a couple times per week in the summer. Please call Gary Winlund 360-678-9879 if you would like to help with this. It does require a truck with a 2" hitch ball.

Speed Steel Matches in Bays 1-5, please don't move the pegs!

It is that time of year again! Speed Steel Matches. The evening prior to any speed steel matches we put out pegs to designate where steel will be set up on shooting bays 1-5. Please do not move or disturb the peg placements.

What you absolutely, positively MUST know:

First is the address to comment on the ATF proposal to appease the current administration by banning stabilizer braces. The web address is: [regulations.gov/commenton/ATF-2021-0002-0001](https://www.regulations.gov/commenton/ATF-2021-0002-0001). Members are encouraged to comment because if this goes through it will set a precedent for the agency to earmark and ban other components.

The second issue is range cleanliness. The Women's Class on Saturday was confronted with overflowing trash cans and destroyed target backers on Saturday. These are guests and first time shooters, so making a favorable impression would have been nice. It is suggested to all members that if a can is full, take 10 minutes out of your day to replace the bag (there are spares in the bottom of the cans) and take the full bag to the trash collection shed on the clubhouse adjacent to bay 1. We have a decent facility at a more than fair price if everyone chips in.

Board Meeting – Items of Interest:

No meeting minutes this month --

Working Party Notes & Next Work Party(s)

Gary Winlund will retire from being our maintenance supervisor at the end of the year. The club is looking for 3 people to replace him, so we can split up the service project coordinators, one person for Sunday's work party and one person for Wednesday's work party and one person for club maintenance. These 3 people will work together and be a committee to take care of the club with membership help. If you are interested in replacing Gary Winlund please let Gary or myself know so Gary can start training those people on what they need to know. Gary has done an outstanding job for many years and would like to take life a little easier. He will train the committee with everything they need to know including the Tractor, well house maintenance, budget, contact information on where to buy supplies and much more.

Sunday August 1st 0900 to 1100 (9:00 AM to 11:00 AM)

Wednesday August 4th 0900 to 1100 (9:00 AM to 11:00 AM)

If anyone has any extra time and wants to help around the club (and get credit and a punch on your "work party card") the following items always need attention.

Weed whack around ranges and behind the sheds behind the club house. Bring your own trimmer.

Spray weeds and grass on ranges and other areas. Bring your own sprayer and liquid.

Empty garbage cans, including brass barrels on ranges. Extra bags should be available in cans.

Let Gary know what you have done so he can give your card a punch for work performed. Gary 360-678-9879.

All Ranges, this means the ENTIRE Club is CLOSED (except scheduled shoots) during the work party!

Contact Gary Winlund at 503 440-3492 or CWSA_PROJECTS@CWSAOnline.com with suggestions.
