Next General Meeting – **Monday**

December 13, 1900
(7:00 PM)

Renew your CWSA membership, NOW!

Attend the December CWSA General Meeting, December 13th at 7:00 PM. There will be several important issues discussed and voted upon. Read the rest of the newsletter to find out! Or, just come and attend the meeting.

Larry Memmer is going to step down from President on December 31st 2021. Mike Cox and Michael Marks are looking for volunteers to replace Larry Memmer and Roger Richards, club Secretary, starting immediately due to Roger's surgery. Larry Memmer will train his replacement and provide support in the upcoming 2022 year, until you are comfortable with running the club. Interested members can contact Larry at (360) 969-2588 or if you are interested in either job opening contact Mike Cox at (360) 399-0078 or Michael Marks at (360) 969-5814.

What you absolutely, positively MUST know:

It is time to **renew your club membership**. The renewal application is included in this newsletter. Renew early and avoid the long lines, typically in December. The renewal dates and times are in the online calendar. Here are a few of the upcoming dates:

12/4 10:00 AM 12/13 5:00 PM 12/27 5:00 PM 1/15 12:00 PM (uh, you're late)

Board Meeting – Items of Interest:

CWSA membership prices for 2022 will stay the same as the 2021 membership costs. The board voted tonight not to raise membership. **Renew your membership NOW and avoid late fees!**

President Larry Memmer and Secretary Roger Richard are both finishing out their terms at the end of this year. Surely with almost 700 people in this club there is someone with leadership skills and someone who can take notes twice a month. Please step up.

The December General Meeting on December 13th at 7:00 will be an important one! We will vote for our new board of directors and there will be a special vote to waive dues for some of those officers. This dues fee waiver would be in recognition of all the hours and effort that board members put in. Please attend and vote. Also, we will receive nominations for and vote on CWSA Sports Person of the year.

More at the December general meeting: We will be discussing the cost and benefits of 12x24 permanent shelter for trap shooters.

Working Party Notes & Next Work Party(s)

Gary Winlund will retire from being our maintenance supervisor at the end of the year. Larry Memmer and Ron Martin took care of the last work party. There were 8 folks that showed up. Weed whacking was done; target frames rehabbed; 480 good clay pigeons picked up from the trap range; two 5-gallon buckets of shotgun wads picked up. Also of note, a large amount of OSB plywood was donated, and should keep the rifle ranges supplied for the next two years or so.

Sunday December 5th 0900 to 1100 (9:00 AM to 11:00 AM)

If anyone has any extra time and wants to help around the club (and get credit and a punch on your “work party card”) the following items always need attention.

Weed whack around ranges and behind the sheds behind the club house. Bring your own trimmer.

Spray weeds and grass on ranges and other areas. Bring your own sprayer and liquid.

Empty garbage cans, including brass barrels on ranges. Extra bags should be available in cans.

Let Gary know what you have done so he can give your card a punch for work performed. Gary 360-678-9879.

All Ranges, this means the ENTIRE Club is CLOSED (except scheduled shoots) during the work party!

Contact Gary Winlund at 503 440-3492 or CWSA_PROJECTS@CWSAOnline.com with suggestions.

3 gun matches at CWSA

Please see below for 3 gun shoot competition and if you would like the club to put this type of program together please vote yes or no at tractor.cwsa@gmail.com (This is the correct email if you were having errors!!)

CWSA Membership – We are attempting to gauge member interest in funding, setting up and executing 3 gun matches at CWSA.

The below is taken from [HTTPS://WWW.NSSF.ORG/SHOOTING/3-GUN/](https://www.nssf.org/shooting/3-gun/), outlining the basics of what a 3 gun match could be at CWSA:

One of the fastest growing shooting sports in the country right now is the action-packed multi-gun competition commonly known as “3-gun.”

The reason for the name is somewhat obvious; competitors use three different firearms — a modern sporting rifle (MSR), that is, a rifle built on an AR-platform; a pistol; and a shotgun.

Matches generally involve courses where the shooter must move through different stages and engage targets in a variety of different positions and distances. Each stage will generally require the use of different firearms and require the shooter to transition between them.

The targets might include clay pigeons, cardboard silhouettes, steel targets of varying sizes and anything else the match organizer designates as a target.

Distances of the targets might vary from 10 yards to 100 yards or anything in between. The shooter who hits the most targets — and or avoids certain “no shoot” ones — in the least amount of time is the winner.

Although local ranges might opt to alter the rules somewhat, most abide closely by those set up by the International Multi-Gun Association (IMGA) or the United States Practical Shooting Association (USPSA), which regulates some matches (not ours). Each of these organizations has guidelines and rules, but the ability to adapt them for specific matches is what makes 3-gun competition dynamic and exciting.

Just as it is with the practical pistol matches, 3-gun simulates combat or self-defense situations. A stage provides a certain scenario for using one or more of the guns in a specific sequence. Each stage at each match will usually be different than any you’ve shot before.

More information can be found at:

[HTTPS://WWW.NSSF.ORG/SHOOTING/3-GUN/](https://www.nssf.org/shooting/3-gun/)

Please let us know if there is club interest in conducting 3 gun matches in 2022.

Message from the CWSA President

I need as many Club members to come out and vote on 13 December 2021 at 7:00pm, which is our next general meeting, on a proposal to change the bylaws to allow certain club officer to not pay dues while serving positions. Please see below. It was brought up at the last general meeting but there was a small showing of members and I would like to get more people in the meeting to vote on this matter. The proposed change is listed below under Section D:

There was a discussion at the last board meeting to make certain position on the board dues free. It was discussed that the following positions should not have to pay dues: President, Vice President, Secretary, Treasurer, Maintenance Coordinator, and Membership Coordinator due to the enormous amount of time spent in order to accomplish their task in those positions. It was also brought up to give incentives to get members to volunteer to fill these position as they become empty.

Larry Memmer

Proposed change to Section D:

The Following Board Members will not pay dues or provide an annual service project, due to the inordinate amount of time spent outside of meetings in order to properly perform their duties in the following positions: President, Vice President, Secretary, Treasurer, Maintenance Coordinator and Membership. Hopefully this will be an incentive for other club members to step up and fill these positions as officers rotate out.
