Rifle	Gary Winlund	678-9879
Trap	Ralph Downs	202-7562
Archery Coordinator	Bill Simons	360 679-4993

Next General Meeting – **Monday**

January 10, 1900

(7:00 PM)

From CWSA President, Larry Memmer:

There has been a rash of people not signing into the club while shooting. I've asked RSO'S to verify logs against vehicles to ensure people are signing in and out of the club. This is the only way we show usage of a range to upgrade or not it also provides information if something happens on a certain day to start researching what happened and who was there. Please sign in!!

Gary Winlund has spent the last 9 years keeping the club, machinery, and all ranges in such very good shape. Every time you drive-in or drive-by and see those trees growing around the perimeter, shout out a big "thank you" to Gary. That was just ONE of the many improvements that Gary did at the club. Ed Hilkey is taking over for Gary. Show some kindness and respect – stop shooting the target stands.

Thank You Gary, for all that you have done to make our club better!

What you absolutely, positively MUST know:

It is time to **renew your club membership**. The renewal application is included in this newsletter. The renewal dates and times are in the online calendar. Here are a few of the upcoming dates:

1/15 12:00 PM (uh, you're late – but due to the snow and related travel issues, we will not charge a late fee)

Board Meeting – Items of Interest:

CWSA membership prices for 2022 will stay the same as the 2021 membership costs. The board voted tonight not to raise membership. **Renew your membership NOW and avoid late fees!**

There were three candidates for Sports Person of the Year: Gary Winlund, John Mott, and Ron Martin. After much discussion the Board chose Ron Martin for two reasons: he almost singlehandedly got the trap shooting going again, and he has done an awful lot of work on the range. It was also noted that since he lives right next door to the range, he really keeps an eye on the property and has investigated several times when unusual activity was going on. The Board will announce the winner at the January General Membership meeting.

Working Party Notes & Next Work Party(s)

Gary Winlund retired from being our maintenance supervisor and Ed Hilkey has stepped-up to take over. A big thank you to Gary Winlund for his many years of great service to the club and a thank you to Ed Hilkey for taking over as the new work party coordinator. Larry Memmer and Ron Martin took care of the last work party. There were 8 folks that showed up. Weed whacking was done; target frames rehabbed; 480 good clay pigeons picked up from the trap range; two 5-gallon buckets of shotgun wads picked up. Also of note, a large amount of OSB plywood was donated, and should keep the rifle ranges supplied for the next two years or so.

Wednesday February 2nd 0900 to 1100 (9:00 AM to 11:00 AM)

Sunday February 6th 0915 to 1115 (9:15 AM to 11:15 AM)

If anyone has any extra time and wants to help around the club (and get credit and a punch on your “work party card”) the following items always need attention.

Weed whack around ranges and behind the sheds behind the club house. Bring your own trimmer.

Spray weeds and grass on ranges and other areas. Bring your own sprayer and liquid.

Empty garbage cans, including brass barrels on ranges. Extra bags should be available in cans.

Let Ed Hilkey know what you have done so he can give your card a punch for work performed. Ed 360-929-2896.

All Ranges, this means the ENTIRE Club is CLOSED (except scheduled shoots) during the work party!

Contact Ed Hilkey 360 929-2896 or CWSA_PROJECTS@CWSAOnline.com with suggestions.

3 gun matches at CWSA

Please see below for 3 gun shoot competition and if you would like the club to put this type of program together please vote yes or no at tractor.cwsa@gmail.com (This is the correct email if you were having errors!!)

CWSA Membership – We are attempting to gauge member interest in funding, setting up and executing 3 gun matches at CWSA.

The below is taken from <HTTPS://WWW.NSSF.ORG/SHOOTING/3-GUN/>, outlining the basics of what a 3 gun match could be at CWSA:

One of the fastest growing shooting sports in the country right now is the action-packed multi-gun competition commonly known as “3-gun.”

The reason for the name is somewhat obvious; competitors use three different firearms — a modern sporting rifle (MSR), that is, a rifle built on an AR-platform; a pistol; and a shotgun.

Matches generally involve courses where the shooter must move through different stages and engage targets in a variety of different positions and distances. Each stage will generally require the use of different firearms and require the shooter to transition between them.

The targets might include clay pigeons, cardboard silhouettes, steel targets of varying sizes and anything else the match organizer designates as a target.

Distances of the targets might vary from 10 yards to 100 yards or anything in between. The shooter who hits the most targets — and or avoids certain “no shoot” ones — in the least amount of time is the winner.

Although local ranges might opt to alter the rules somewhat, most abide closely by those set up by the International Multi-Gun Association (IMGA) or the United States Practical Shooting Association (USPSA), which regulates some matches (not ours). Each of these organizations has guidelines and rules, but the ability to adapt them for specific matches is what makes 3-gun competition dynamic and exciting.

Just as it is with the practical pistol matches, 3-gun simulates combat or self-defense situations. A stage provides a certain scenario for using one or more of the guns in a specific sequence. Each stage at each match will usually be different than any you’ve shot before.

More information can be found at: <HTTPS://WWW.NSSF.ORG/SHOOTING/3-GUN/>

Please let us know if there is club interest in conducting 3 gun matches in 2022.

For more information you can go to: <https://3ge.nra.org/>

For Sale: 1930’s Winchester, 52B-Remington 37 Rangemaster (early) and -Marlin 39A (late 40’s?): \$3000.00 for the trifecta or offers for individual rifles considered. Will bring to the clubhouse for inspection. Call or text me for questions.

Also a separate sale for Swedish Mauser M39 w/all matching serial numbers except stock and mag cover-Lupoid scope mount and rings, 3lb trigger. This was intended as a B/R target rifle as the barrel is in excellent condition. Make an offer. I have projectiles and powder to throw in but not sure about brass if you want to work up some loads for a military match.

Of course sales must go through an FFL.
Ralph 360-770-6043
