## LOST PISTOL

Glock 23 Gen1 .40 SN: LEZ853

I was at the range on Saturday, May 18th, with a group of friends. On Tuesday, May 22, I unpacked all the cases and discovered I am missing this pistol.

Please let me know if you saw it or turned it in to the club. Your help in this matter is greatly appreciated.

Thank you!

Jeff Ottele - Range Member - 360.908.8151

# CLUB PATCHES

We now have 25 patches on sale for \$15.00, If there is a bigger demand, we can order more patches for members to buy. Please see Larry Memmer if you are interested in buying one of these patches.

# Greene's Gun Shop Faces Closure After 64 Years: New Laws Threaten Small Businesses

**T**here is talk riding on the wind that after 64 years in business Greene's Gun Shop is going to call it quits. We think you are entitled to know the reason why.

The state is planning to institute a new demand on those of us in business that have F.F.L's. Because they've allowed crime to get out of control they're now putting the blame on us and making demands a shop our size can in no way meet.

I'm sending here a link to the proposed laws that are due to go in effect in August 2025 closing small gun shops such as ours and making it hard to impossible for larger shops as well.

<https://mynorthwest.com/3947382/>

[rantz-democrats-try-bankrupt-gun-shops-insurmountable-fees/](https://rantz-democrats-try-bankrupt-gun-shops-insurmountable-fees/)

We've had a good relationship with our customers, many whom have become good friends. So please know we're not going to abandon you out of choice but we see the writing on the wall. As you know we are a small shop and do what we can to accommodate our customers needs.

Two years ago we stopped gun smithing. Partly because we couldn't do the work and also keep up with the increasingly demanding paperwork. So there's where it's at...so you now know the truth about what you may have been hearing.

Now...can you help? Help not just us but yourselves and other shops you frequent that will likely fall as well. Perhaps you can. Contacting the congresspeople in our state may help (?). What is probably more beneficial is to join one of the organizations that does and will help fight our battle. Gun Owners Of America, Citizen Committee For The Right To Keep And Bear Arms are both very instrumental in our fight.. There are others too of course such as the Gun Owners Of America and the NRA. These are all organizations we support because they are supporting us, This is one of those "Don't Know What You've Got Till It's Gone" situations...don't just dismiss this threat and let it go by...it's very real. As it stands it's extremely likely that one day soon when you show up at one of your favorite gun stores you'll discover it's no longer there. Your gun rights are at stake....if you don't support those who defend them then don't expect others to do so for you. We can't do this alone. We're all in this together and we must work together if we are to prevail.

# CWSA General Meeting Minutes

Date: 10 May 2024

Opening Call to Order & Pledge, by: Larry Memmer, Executive Advisor • Time: 19:00 • Attendance: 24

## General Business Reports

**Secretary, Reading of Previous Minutes:** Minutes of previous meetings are posted online.

**Treasurer's Report:** Currently we have \$188,336.82 in the bank which includes the \$100,00 CD.

**Membership Report:** Currently we have 908 members. Last Saturday we enrolled 20 new members and two new associate members.

**Public Relations Report:**

**Club Maintenance Report:** Ed Hilkey reports that we had good participation for the last service project and got a lot of weed whacking done.

**NRA Membership:** No new actions

**NRA Training:** Bob not here.

**RSO Report:** No violations have been reported since the last meeting. There has been some damage to target frames and some violation of rules. The primary rules violations pertained to using the wrong types of targets at close ranges. For example, placing targets on the ground which increases the potential for ricochet.

**Hat Sales / Fund Raising:** Linda reports selling two hats at our last meeting and one tonight. The 50/50 raffle kitty is presently at \$51.50. In addition, Daral Simon donated \$156.00 to the club to support our raffels.

## Old Business

**Ed Hilkey:** Update on the status of the handicap ramp: Bob has all the information.

**Update on clubhouse mailbox:** Already completed and we are receiving mail. Our official mailing address is now 397 Safari Road Coupeville, WA 89239.

**Update on gravel purchase:** The gravel has already been delivered.

**Larry Memmer, update on Wes Kenworthy:** Wes is now in Regency Coupville for those that would like to pay him a visit.

**Larry Memmer, New hats:** We have purchased 40 new hats. RSO has 10 hats and Linda has the rest for sale to members.

## New Business

**Board meeting:** Will our next board meeting be held on Memorial Day, 27 May? Don't know. We will let Bob make an announcement.

**Larry Memmer, clubhouse security cameras:** Larry bought a Night Owl video security system by mistake. The system is a four-camera system. He paid \$257.00 for the kit and is willing to sell it to the club for \$150.00. Kirby made a motion to buy the system and Doug Smith seconded the motion. The motion passed with one question. This system would only work in the clubhouse and a more advanced system would be required for the ranges.

**Nick Montango, date for membership picnic and swap meet:** Nick reviewed the plans for the membership picnic and swap meet. Please contact Nick and let him know if you plan to sell or swap something at the swap meet. We plan to have hamburgers, hot dogs, and soft drinks at the picnic.

**Kirby Stevens, Discussion on the health of our perimeter trees:** Kirby is wondering if we want to hire an arborist to come in and tell us what is wrong with the trees. Ed stated that he has taken some samples to someone that identified the bugs last year and we are still seeing infestation with the same bugs. Ed sprayed 10 days ago and sprayed again today. He will check again in a couple of weeks to see how we are doing.
