IMPORTANT!!!

We continue to have issues with unsafe and damaging behavior on the range. Some individuals are still using target frames as makeshift targets, causing unnecessary damage that costs the Club both time and money. Even more concerning, Gary recently discovered evidence of someone shooting at large rocks on the range—an EXTREMELY dangerous act that could lead to serious injury or death from ricochets. (If you think that's an exaggeration, watch this video: [YouTube Link](#))

Let us be absolutely clear: anyone caught intentionally damaging target frames or engaging in reckless behavior like shooting at rocks will have their membership permanently revoked.

If you see someone doing this, please ask them to stop or report it to a Club Officer or official. This isn't about being a tattle-tale—it's about keeping our Club safe and functional for everyone.

Thank you for your cooperation.

Seeking New Club Membership Secretary

The club needs someone to step up into this lead role. The current membership security isn't leaving but needs to take a back seat to the program. He'll be there to teach and answer any questions you may have during the next year. There is a three-person team that helps with membership, but there needs to be a new leader of the team. Please contact Larry Memmer at (360) 969-2588 or lgmem@comcast.net or speak with the president, Bob Clark. Benefit of this position is no dues and no working parties as long as you're the membership secretary!

REMINDER

Participation is the lifeblood of our club and we have two officers seeking relief for membership, and treasure. We need you!
