Next General Meeting

Monday, January 9, @ 1900
(7:00 PM)

From the President

I hope everybody had a great holiday!

Gate update: We are going to start issuing Fob Card on Monday 9 January between 1700 and 1900 before the general meeting to those club members who have already paid their membership and at the same time, we will be holding a renewal for those members who want to pay the old fashion way. We will be issuing keys at all renewal dates listed on the CWSA webpage. We plan on switching over to the new gate system on Wednesday 15 February 2023, at which time we will have a box in the club house to collect all the metal gate access keys, and the only way to access the club will be with a Fob Card.

Here is some great information on how to pay your invoice through our webpage, go to our webpage www.cwsaonline.org and click on MEMBERSHIP LOGIN (Upper right hand corner using a computer and bottom of page right side using cell phone) to log into your account, Before you log in you might want to click on HOW TO PAY invoices to walk you through the 7 steps process (Power Point) in paying your invoice so you know how to do it Recommend using a computer.

Congratulations to Wes Kenworthy and Ralph Young for their selection as Sportsman of the year for 2023. Their hard work and dedication in getting the new membership program "EZ facilities" online took many hours of volunteer work for the last five months to make this happen.

The board has approved a change to the Bylaws that would change the name of our maintenance coordinator to Facilities Superintendent and would make the position a permanent Board Member. This will require a vote from the general membership to make this change.

Status report on membership renewals via EZ-F, see treasurer's report above.

Status update on gate system. All materials are here. We are waiting on the electrician to complete the conduit attachments and run the underground wire to the gate.

Sportsman of the year nominations: Last meeting the following were nominated: Richard Morgan, nominated by Al Lindell • Ralph Young, nominated by Doug Smith • Wes Kenworthy, nominated by Alex Jackson

The voting was close for Ralph and Wes. Gary Winlund made a motion that both Wes and Ralph receive the award for 2023 and both names be put on the plaque, as they have both done a great job getting the membership switched over to EZ-F. The motion carried and they will both be on the plaque for 2023.

New Business

Steve Wells made a request to the board to use the range and clubhouse for a church sponsored men's shooting event. In the past we have rented out the club house for navy retirements and other events. Potentially we could charge a down payment and give them a refund if no damage was done. Kay made a motion if someone wants to use the facility, they should come to the board with a verbal presentation and provide us with a written plan for the record. Gary seconded the motion and the motion passed. Questions:

Do we approve this use? What will be the cost? Do they have insurance? Other requirements, e.g., cleaning the facility? Scheduling?

President Memmer proposed a bylaw change to establish the Facility Superintendent as a permanent board member seat. Gary feels that it is to our advantage to have him on the board. Gary made a motion to accept the president's proposal and it was seconded by Al Lindell and passed by the board members. We will take up this action at the January general meeting.

Steve Morrow, a club member that lives in Bonnie Lake, would like to propose to the board that members that live off Island be relieved of working parties to receive the \$50.00 discount on club membership fees. Al recommends that we tell him if he comes to shoot that he contacts the facility superintendent to arrange some work while he is here. Gary Winlund made a motion that we disallow this request. Ed seconded the motion and it passed by the members.

Mike Thorpe, a club member, made a request to update the board on the situation with Island County and the proposed homeless shelter, as follows: The county hearing examiner granted the type-3 allowance. Mike's group of homeowners made a motion to appeal the ruling which the county made a motion to dismiss. There will be a hearing where a judge will finalize the decision on the appeal.

Closing

Adjourned: Al made a motion to adjourn seconded by Wes Kenworthy. The motion passed by vote at 18:51.
