## Next General Meeting

Monday, June 12, @ 1900  
(7:00 PM)

Summer has started with some nice weather and matches are going full speed ahead now! Please check the calendar for times and dates of all matches, sure would like to see some new faces attending these matches. Please be safe and enjoy your summer.

We will be holding a new member orientation on 14 June at 5:00pm if you have friends that want to join our club.

CWSA Range rules have been updated on our web page Rev.05/26/2023 and I'm currently working on getting the PDF printable format updated as well. The whiteboards out at the ranges will be changing in a couple of weeks and I've added a copy of the range rules to this newsletter at the end.

There is also 17 seats open for the hunters education class starting on 28 June at 6:00pm, if you know anybody that would like to take this free class have them go to [WDFW.WA.GOV](http://WDFW.WA.GOV) to sign up for these traditional classes at Central Whidbey Sportsman Association. They run from Wednesday through Friday 6:00pm-9:00pm and on Saturday 9:00am-12:00pm.

I would like to thank Ed Hilkey for getting on top of our trees that are turning brown, He contacted Washington State University (WSU) Extension Office and they confirmed our trees are infested with tiny caterpillars of cypress tip moths which require a microscope to see them. Ed has taken the appropriate steps to spray them with the proper insecticide and will give them another dose this coming week. He is also in need of 4 volunteers who can water the trees that have a trailer hitch with a 4-pin plug. If you can help, please give him a call at (360) 929-2896. Ed is also finding cigarette butts on the ground by the new short range by the 200-yard range just a reminder the club is a Nonsmoking/non-vaping club.

I would like to thank all the volunteers that have helped make the club look so great! Thank you for your time and effort, it really shows!! We would like to see if everybody can complete their service project by 15 October 2023 for credit for 2024 membership.

There will be a meeting on 8 June to discuss how we will do invoicing for the 2024 membership dues, that way we can start getting the word out to everybody in the coming weeks, which will hopefully make the process easier for next year. You'll be able to pay online for those who don't like standing in line, but we will also take cash or checks as well, like we did for 2023. If you have a computer or cell phone, please make a CWSA account when we enable you to do so, so you can at least change your personal information i.e. email, phone number, address even if you are just going to pay by cash or check.

# Gate Control

We've had an issue with people just driving in when the gate is open for matches! And then not go to the match but instead shooting somewhere else other than the match. **WE NEED ALL MEMBERS TO SWIPE THERE FOB KEY IN AND OUT EVEN IF THE GATE IS OPEN**

otherwise, we'll have to keep the gate closed all the time, so everybody follows the rules.

We would then have to post a gate guard during the start of matches to allow the public in and out of the matches and that would be a hassle! So please swipe your key in and out!! Thank you.

## Volunteer Positions Open

- President for CWSA, I will be stepping down from being the President after 5 years on December 31st 2023. If you are interested in becoming the club president, please contact me! Or a board member so I can start doing the turnover! I would prefer somebody who has been a club member for several years and who has also been involved in the club and retired if possible. Please think about this position if you have time on your hands and would like to stay busy. This is for you!
- Mechanic to maintain the club's range truck Looking for somebody who can take care of our range truck by keeping it up and running parts provided by the club as needed, This would count as your annual service project. If you are interested in volunteering, please contact Larry Memmer at [Igmem@comcast.net](mailto:Igmem@comcast.net)
- Looking for more women to help teach Hunter's Education for the club. Last year we had more girls go through Hunter's Ed class than boys! I think it would be a great opportunity to get some female instructors to be role models to these girls! So, if you would like to volunteer to help! That would be great and if we had enough women to qualify, we could also hold all girl Classes!! Please let me know if you are interested in volunteering at [Igmem@comcast.net](mailto:Igmem@comcast.net) or call me at (360) 969-2588 Larry Memmer. Thank you, Tracey Blanchard, for being the first woman to volunteer!
- Facebook Inputer Volunteer: Looking for somebody to post on the CWSA Facebook account utilizing the email that is sent out weekly on (Thursday) and post it on Facebook. Occasionally there may be another post or two if requested but not very often currently. However, there is no limit or policy on posting, so a volunteer may post more as they might see fit.
- Match Result Inputter: Looking for a volunteer to input match results. Must have Microsoft Office. Please contact Larry Memmer for more information at [Igmem@comcast.net](mailto:Igmem@comcast.net)
