Next General Meeting

Monday, August 14, @ 1900
(7:00 PM)

The weather has been great, and the range is looking great as well, so thank you to all the volunteers who helped Ed Hilkey for doing a great job keeping are club to look like a park!

The last pages of this newsletter are the purposed bylaw changes. Please look them over and be ready to discuss them at the next general meeting.

As you walk into the club house, you'll notice that all the old plastic chairs are gone, and the new folding chairs are there, and we also have a new chair rack that is on wheels to make setting up for meeting or training much easier. Also, Ed Hilkey is almost completed with the Berm fix by installing 77 concrete blocks between Bays 6 & 7 making it a permanent repair to the erosion there. Also listed are the names that painted the tabletops on the 100- and 200-yard ranges and the short range and helped with the block install, great job and a thank you all: Kevin Turkington, Sigrid Johnson, Joe Goldstein David Penrod, Jason Hansen, Greg Speck and Don Struthers.

Randy Pike is heading up a new program called adopt a range like you see along the roadway. This will entail just maintaining the growth around the range to and pickup any trash and brass. The target and stands will still be done by working parties. This will also count as your working party and a sign will be put up with your name or company name of who maintains this range. More will be coming out as Randy gets it put tother more.

We had somebody remove the gong from the 200-yard range and duct tapped it to the top railing of the target frames on Saturday 29 July. Please, Please do not remove the gongs from where they are installed. One big reason is ricochet and that's why they are set in the tractor tire. The cost of replacing the frame is another reason not to move them. The frames are painted red because we don't want people shooting at them. Just wanted to mention this!

Ed is still needing help to keep the trees watered. Please contact Ed and schedule a time when you can come and help out.

We would like to encourage everyone to police their brass after shooting.

New Business

At the board meeting held on 26 June, the board approved spending \$1500.00, plus tax, to replace

the existing clubhouse chairs with padded folding chairs sold by Costco. The sales tax for this purchase will be \$129.00. The board approved sending this expenditure request to the general membership for approval. Therefore, the board is requesting the general membership to approve spending approximately \$1700.00 to replace the clubhouse chairs. Gary Winlund made a motion to buy the chairs with a 2nd by Doug Smith. The motion was passed by the membership. Purchase of a rack to store the chairs was approved by the board. This expense is under the board spending limit.

At the past board meeting Randy Pike suggested that the club start an adopt-a-range program. The idea is that members would sign up to be responsible for a range and would take care of their range to include clean up, care of target boards, and other general maintenance. The membership present thinks this would be a good idea. Ed has an action item to develop a proposal for an adopt-a-range program.

Introduction of New Members: Don Suza introduced himself as a new member tonight.

Public Relations: Bill continues to provide excellent weekly updates VIA email of upcoming events.

Work Projects: Want to talk about giving money or something to Ukraine. BROUGHT ITEM UP FOR DISCUSSION AND BOARD MEMBERS APPROVED \$500.00 FOR MEDICAL SUPPLIES FOR UKRAINE Gary Winlund made a motion to give \$500.00 for medical supplies and Alex Jackson 2nd the motion Board voted to accept motion with no objections.

Need to update the board on installing the concrete blocks. Concrete blocks are being delivered on the 31st of July. 7/25/2023 talked to Berg Vault today and showed them where we will be unloading the blocks. talked to Ralph about putting deposits down on excavator and concrete blocks.

Want to update the board on new targets for the pits and some ideas on maintenance of the pits. winter and summer.

Informed all board members present that new target stands for pistol pits 2-5 were complete and all bottom bases have been painted. discussed about pulling all but two targets in for the wintertime so they do not get ruined by the weather. board members thought it was a good idea. 7/25/2023 all new target stands were installed in pistol pits 2-5

Want to find out about getting ruff cut lumber instead of finished lumber for targets frames. Board members approved getting rough cut lumber for target rebuilds to save the club money.

Want to talk about the new overhang for the short old range. Sometime in September we will have a special working party to build overhang for old short range.

Want to talk about changing the oil in the tractor and mowers every year instead of by hours used. The board approved changing oil in tractor and lawn mowers yearly instead of by hours used.

Want to talk about scouts using facility. I have been down at the club several times when the boy scouts held their meeting. Not recently though. But when I was there, they had a couple of people working on things, but the rest were just running around like it was free for all. It was not like that when I was in the scouts. You had a job to do and training to get accomplished. It was something I have thought about for a while. They are using the club for a hang out and that is about it. If they do not want to assist in doing projects for the club, or to get their shooting badge, there is no real reason to let them use the club. Now, do not get me wrong here. I am all for helping those who help themselves, especially the scouts who are in any other group. But in this case, I just do not see where we are helping them at all.

Gary Winlund stated he's been trying to work with the Boy Scouts to get their shooting Merit Badge for about six months with no movement from the Boy Scouts their leadership is just stating that the Boy Scout Council is not getting back to them with a decision. He has spent approximately \$100. 00 out of his own pocket buying merit badge books and targets to supply the boy scouts to help them achieve this badge. Also, Alex Jackson provided 22 Ammo so they could qualify for their merit badge, which has gone missing. The 22 Rifles the club owns are authorized firearms that the Boy Scouts could utilize, and the club meets the requirements to help the troop achieve this merit badge. Also, with winter expenses and the club doesn't see any return for supporting them they do nothing to support the club and our ideas.

All board members approved of having the scouts find another place to hold their meetings. They will be notified to find another place to hold their meeting by 1 January 2024. Gary Winlund motioned that they find a new

location by 1 January 2024 and Wes Kenworthy 2nd and the motion carried with no objections.

Need to inform the board I will be gone for 1-3 weeks after the August working parties. Gary will stand in for me. Hope I have everything done by then, so he has nothing to do but pick up brass and shoot.

Update board on watering of trees. All trees are watered every two to three days.

Would like to get some ideas to put on face book, to try and encourage more participation at range. The board approved to try and come up with ideas on putting items on Facebook to attract more participation for the club. Ed Hilkey Volunteered to run the Club Facebook page and keep it updated for events and news!

NRA Membership: Gary Winlund is looking for a volunteer to take over getting NRA renewal for the club.

NRA Training: NRA Class For Instructors Pistol, Rifle and Home Protection. Dates will be September 18-22 and they will be utilizing the Clubhouse and Bays 2 and 3. Still waiting cost of the class for final approval.
