## Next General Meeting

Monday, September 11, @ 1900  
(7:00 PM)

I hope everybody is having a great summer and Labor Day Weekend! The club is doing great thanks to all the volunteers that keep the club looking great! Just a reminder if you haven't completed your annual working party by the first week in October you will be charged a \$50.00 non-annual project fee for 2024 membership. The reason for the October cut off date is so we can start sending out renewal invoices to everybody in November! If you haven't set up your online account yet, please let Wes Kenworthy and Ralph Young know so they can send you an invite to set up your account. Everybody should have an online account even if you are going to pay by cash or check so you can change your personal information yourself and keep it updated, I understand some people don't have a computer and we'll work with those individuals one on one.

We still have somebody shooting up the target post and we still have people driving through the gate without using there Fob Key to swipe in and out. When I look at the reports it shows me who it is, when and what time they leave and sometimes they might swipe in but not out because somebody is leaving a gate open for them. I'm asking everybody if you see the gate opened, please keep it closed so that everybody "Uses Their Fob Keys". We will be installing a camera at the front gate that will be monitored to insure the gate stays closed. Event coordinators Please close the gate when your members have arrived and open the gate when your event is completed; this will help make members use their key fob! Also had a issues with the total number of guests not being signed into the log book. Please sign in all Guest!!

Just a reminder that all firearms must be compliant with Washington State and Federal Laws at Central Whidbey Sportsmen's Association. Even if you are licensed to shoot fully automatic weapons, they are not authorized at the club!

Now for some Great News!! Our Annual Charity Match is happening on 7 October 2023 starting at 0900 to 1300. It's a really great event for the whole family, we have a 15 and under event along with a women's event. The club purchased 16 turkeys for prizes to first and second place. I've attached the Flyer so you can check out the different events. Please bring your neighbors as this event is open to the public!! All proceeds will go to WAIF. And a can dog or cat food is requested for a donation. There will be a gun swap meet on October 7, 2023 along with the charity match in the clubhouse. To reserve a table and get more information contact Richard Morgan at (425) 750-5444.

**North Sound Gun Store, is giving a 10% Discount to CWSA members. If you buy something from them let them know you are a CWSA member to get your 10% off.**
